Notas:

- 1) A característica principal do gênero "Concerto Grosso" é a existência de um grupo de solistas ("concertino"), no caso da presente obra, formado por dois violinos, uma viola e um violoncelo, que dialoga com o restante da orquestra ("tutti / ripieno"), sendo característico do período barroco e adaptado aqui para o contexto da linguagem atonal.
- 2) Todo trinado deve ser executado por semitom ascendente.
- 3) O símbolo † e ‡ refere-se ao posicionamento do arco em uma ou duas cordas, entre o estandarte e a ponte.
- 4) A seta → indica a modulação tímbrica, onde o arco se desloca lentamente da posição sul ponticello para o ordinário, ou desse para o sul tasto, ou vice-versa.
- 5) O símbolo \square indica o "over pressure", que refere-se ao som gerado através da pressão excessiva do arco sobre a corda.
